I think it will be good to have all the awards come in first. We will also wait for the other national awards, and then hold some sort of OSRR office award breakfast. We will invite you to come. Sound OK? Bryan

This is very exciting! We asked Matt to send out congrats to everyone from me and Deb – he's out today but they can go tomorrow. Is there another way we can gather these folks together to celebrate? I'd be happy to do donuts or something like that. Or maybe we wait til the awards come in.

Some email traffic has gone about me giving andrea amico her award in NH

***On behalf of James E. Woolford, Chair, 2018 National Notable Achievement Awards...***

Deputy Regional Administrators:

Please find attached a memorandum from Jim Woolford transmitting the 2018 National Notable Achievement Award (NNA) winners booklet, which serves as a second attachment. The 2018 NNAs recognize exemplary accomplishments achieved by regional, state, local and tribal personnel in waste management and emergency response programs between October 1, 2016, and September 30, 2017.

If you have any questions about the NNAs, please contact Jim Woolford or have your staff contact your region's NNA representative, a list of which can be found at the transmittal memo's end.

Thank you,
